□ 1750

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated against:

Mrs. MILLER of West Virginia. Madam Speaker, I was denied my vote, by being held up illegally by the person in front of me in the metal detector—they kept wandering him. Had I been present, I would have voted “nay” on rollcall No. 129.

ELECTING THE SERGEANT-AT-ARMS OF THE HOUSE OF REPRESENTATIVES

Mr. AGUILAR. Madam Speaker, I offer a privileged resolution and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 339

Resolved, That William Joseph Walker of Maryland be, and is hereby, chosen Sergeant-at-Arms of the House of Representatives, effective April 26, 2021.

The resolution was agreed to.

A motion to reconsider was laid on the table.

MOMENT OF SILENCE FOR THE HOOSIERS KILLED AND INJURED IN THE SHOOTING AT THE FEDEX FACILITY IN INDIANAPOLIS

(Mr. CARSON asked and was given permission to address the House for 1 minute.)

Mr. CARSON. Madam Speaker, I rise today, joined by my fellow congressional colleagues from Indiana, as well as our two Senators, to honor the eight Hoosiers we lost in last week's senseless shooting at the FedEx facility in Indianapolis. We also honor those who were injured and pray that they have a fast and speedy recovery.

The deceased were our friends, family, and neighbors. They had hopes, Madam Speaker, dreams, and plans for the future, only to have their lives tragically cut short. And, sadly, they are part of a much larger group of Hoosiers and Americans we have lost to gun violence.

As our community and our State grieve, and as we seek to move forward, we pledge to never forget those we lost in this shooting and any other senseless act of violence. Their legacies will live on through our efforts to save lives in the future.

Hoosiers are resilient, Madam Speaker, and we will continue working hard to create safer communities across America, always carrying the memory of those we lost in our hearts. We will never forget them.

Please join us for a moment of silence.

HONORING JUANA SEQUEIRA SOLIS

(Mr. GOMEZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GOMEZ. Madam Speaker, I rise in memory of Juana Sequeira Solis, who passed away in April at the age of 94. Juana was the mother of former Congresswoman, former Secretary of Labor, and now L.A. County Supervisor Hilda Solis.

Juana was born in 1926 in Nicaragua, the eldest of five. She immigrated to America when she was just 18, in search of a better life.

After moving to Los Angeles, Juana met her late husband, Raul Solis, while taking citizenship classes. They raised seven children and taught them the values that define who we are as Americans: the importance of community, education, and respect for our environment.

Juana spent over 20 years on the assembly line at Mattel and was an active union member with the United Rubber Workers until her retirement in 1991.

Let us always remember Juana for her kindness, determination, and fighting spirit.

CELEBRATING CORPUS CHRISTI ARMY DEPOT'S 60TH ANNIVERSARY

(Mr. CLOUD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CLOUD. Madam Speaker, I rise today to honor the Corpus Christi Army Depot, which celebrates its 60th anniversary today.

CCAD is the premier rotary-winged helicopter repair and maintenance facility for the U.S. Army.

Like a battle-hardened soldier, CCAD remains strong, committed, and dedicated to answering the Nation's call and keeping the Army flag flying.

The freedom and security that Americans enjoy today are a direct result of the hard work and continuing commitment of CCAD to the mission given by the U.S. Army.

Thousands of military, civilian, and contractor employees have walked the halls, worked in the hangars, turned the wrenches, flown the aircraft, and dedicated themselves to the operation that began in 1961.

The community leaders and citizens of Corpus Christi, Texas, recognize and appreciate the service of all personnel of CCAD, past and present.

We salute this great organization's unending mission. I wish the Corpus Christi Army Depot a happy 60th birthday today.

CELEBRATING EARTH DAY

(Mr. MCEACHIN asked and was given permission to address the House for 1 minute.)

Mr. MCEACHIN. Madam Speaker, I rise today as the proud sponsor of the resolution honoring Earth Day.

For over 50 years, people have come together on April 22, which is tomorrow, to support protections for our air, water, and land, and to increase appreciation for Mother Earth.

But every day, not just on Earth Day, we must commit ourselves to protecting our planet. We must embrace our shared responsibility to preserve our Earth, not only by increasing environmental and climate literacy but by building upon efforts like the Paris Agreement to ensure that future generations inherit a livable, sustainable, and ecologically rich planet.

Throughout the past year, the COVID-19 pandemic has devastated our Nation. However, our natural environment, including parks and green spaces, has been a haven for communities to come together safely.

This past year has reinforced the importance of protecting these natural spaces and ensuring the continued cleaning and greening of all communities.

Like those who celebrated the first Earth Day in 1970, tomorrow we must continue our work to address environmental challenges, large and small, from climate change to litter; to edu-

cate friends, neighbors, and elected representatives about the need for year-round action; and to honor the stewardship ethic that serves as the foundation of this special day.

Together, we can protect our planet, public health, and overall well-being of all people and wildlife.

ENACTING GREEN NEW DEAL WILL DESTROY JOBS

(Mr. ALLEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ALLEN. Madam Speaker, just yesterday, the squad and other Democrats reintroduced the socialist Green New Deal.

This dangerous proposal costs over \$90 trillion and will destroy thousands of American jobs. But Speaker PELOSI and President Biden have no intention of stopping it. In fact, they are planning to use their partisan infrastructure package as a vehicle to enact several Green New Deal priorities.

While details of what they consider infrastructure, and I use that term loosely, are not finalized, it does not inspire confidence that the Democrats are already turning away from regular order, which requires bipartisanship to get the bill through Congress.

Here is what we know about the package so far. It advances \$600 billion to Green New Deal priorities. Only 5 percent will go toward roads and bridges and 2 percent for airways, waterways, and ports. They are planning the largest tax hike since 1968 to pay for their agenda, and an estimate from the National Association of Manufacturers shows that their proposed corporate tax hike would cost 1 million jobs.

RECOGNIZING NATIONAL DAY OF SILENCE

(Mr. PANETTA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PANETTA. Madam Speaker, I rise today to recognize the National Day of Silence this Friday, April 23.

It is a day when people around the country and in my community on the central coast of California take a vow of silence to raise awareness surrounding the many hurdles that LGBTQ youth face.

One of those students will be Lucia Umeki-Martinez. Lucia is a gay woman of color and a student leader at Watsonville High School. As co-class president and member of the Sexuality and Gender Acceptance Club, Lucia works to build bridges between her classmates and community.

She told me that taking the vow of silence for 1 day was her way of paying tribute to those who have been silenced by homophobia and hatred. It also is a way to show solidarity to those, like Lucia, who have ever felt unwelcome or
